**TOWN WARRANT  
THE STATE OF NEW HAMPSHIRE**

**To the Inhabitants of the Town of Bristol in the County of Grafton in said State, qualified to vote in Town Affairs:**

You are hereby notified to meet at the Town Hall in said Bristol on Tuesday, the 2nd day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.  
**Polls will close at 6:00 P.M.**

**Action on the following Articles at 7:30 P.M. Thursday, March 4, 1976.**

2. To see if the town will authorize the Selectmen to negotiate for a parcel of land with all the buildings and improvements thereon from Ralph J. and Mary H. Dow, said land and buildings being on the southerly side of Danforth Brook Road, and to see if the town will vote the sum of \$40,000 for said purchase. The price to be raised by borrowing on the credit of the Town through the issuance of serial notes or bonds, said notes or bonds to be signed by the Selectmen, countersigned by the Treasurer and sealed with the Town seal, and delegate to the Selectmen the discretion of fixing the date, maturities, denomination, interest or discount rate, the place of payment, the form and other details of said bonds or notes and providing for the sale thereof. (Recommended by the Budget Committee)

3. To see if the town will raise and appropriate the sum of \$5,000, said sum to be added to funds already raised for the repair and/or replacement of the Willow Street Bridge No. 097/069, and that the selectmen be authorized to use all funds for the purchase and installation of a new bridge in place of the present structure. (Recommended by the Budget Committee)

4. To see if the Town will raise and appropriate the sum of \$8,700.00 for a Fire Truck Reserve Fund. Money to be kept with the Trustees of Trust Funds. Purpose of said fund is to create a reserve to aid in the eventual purchase of new fire trucks for the town of Bristol. (Not recommended by Budget Committee)

5. To see if the Town will raise and appropriate the sum of \$42,701 as their share for necessary steel replacement, repair, cleaning and painting of the entire Bristol-New Hampton Bridge No. 113/064 as recommended by the State Department of Public Works and Highways. (No action by the Budget Committee)

6. To see if the Town will vote to use the accumulated interest in the Proctor Capital Reserve Fund for improvements at the Town Beach if needed.

7. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon:

Appropriation	Amount
NANA	\$ 3,700.00
Paving	11,118.00
Karl Dearborn Culvert	1,900.00
Wicom Road	3,970.00
Tax Map	6,400.00
Library (Renovations)	4,700.00
New Equipment (Cruiser)	3,500.00
	<hr/>
	\$35,288.00

(Recommended by the Budget Committee)

8. To see if the Town will vote to accept the budget as submitted by the Budget Committee and raise and appropriate the sums set forth therein to be raised by taxation.

9. To see if the town will vote to employ a reputable firm to make the annual audit of the town's accounts and to dispense with the services of the State Tax Commission. Passage of this article will rescind Article 12 of the Town Warrant dated March 10, 1964.

10. To see if the Town will vote to adopt the provisions of

RSA 72:43-b and 43-c for expanded exemptions on real estate which provide for a resident sixty-five years of age up to seventy-five, a five thousand dollar exemption; a resident seventy-five years of age up to eighty, a ten thousand dollar exemption; a resident eighty years of age or older, a twenty thousand dollar exemption, provided that the resident owns the real estate individually or jointly with another or his spouse with whom he has been living for at least five years as man and wife; said resident had a net income of less than seven thousand dollars or combined income with spouse of less than nine thousand dollars; and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of thirty-five thousand dollars.

#### 11. **FLOODPLAIN BUILDING REGULATIONS**

To see if the Town will vote to establish the following building regulation pursuant to RSA 156 as follows:

a. The Building Permit Officer (Board of Selectmen) shall review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is in a location that has a flood hazard, any proposed new construction or substantial improvement (including prefabricated and mobile homes) must (i) be designed (or modified) and anchored to prevent floatation, collapse, or lateral movement of the structure, (ii) use construction materials and utility equipment that are resistant to flood damage, and (iii) use construction methods and practices that will minimize flood damage.

12. To see if the Town will vote to elect a Road Agent rather than have the Selectmen appoint a Highway Supervisor. This would be effective as of Town Meeting 1977. A passage of this article would rescind Article 12 of the Town Warrant dated March 1973. (Submitted by petition)

13. To see if the town will vote to designate Smith River Road from the Town line of Bristol and Alexandria east to the junction of Route 3A as scenic under the provision of RSA 253:17 and

18. for the purposes of protecting and enhancing the scenic beauty of Bristol and further, that the Selectmen of said Bristol shall, regarding such roads designated as scenic, file appropriate requests for suspension of specifications when making application to the Commissioner of Public Works and Highways for the Town Road Aid Funds under RSA 241:7(I). (Submitted by Petition)

14. To see if the Town will vote to authorize the Selectmen to apply for and receive any grants and/or financial aid from State and/or Federal sources in the event of any disaster, providing the Town is eligible to receive the same.

15. To see if the Town will vote to pass an ordinance on the Consumption of Alcoholic Beverages as follows:

a. No person shall consume any alcoholic beverage while in or upon any Street, Public Place or Public building within the Town of Bristol.

b. No person shall consume any alcoholic beverage while in or upon any private land, building or place without consent of the owner or person in control thereof.

c. For the purpose of this ordinance alcoholic beverages are as defined in Chapter 175:1 section I and Section II of the RSA annotated of New Hampshire.

d. Alcoholic beverages being consumed in violation of this ordinance shall be seized and held until the case is disposed of in the courts, after which such beverages shall be returned to the person entitled to their lawful possession.

e. Whoever violates any provisions of this ordinance shall pay a fine of \$25.00 for the first offense and a fine of \$50.00 for each subsequent offense.

16. To see if the Town will vote to pass a Driveway Ordinance as follows:

All (new) driveways entering a Town Road such that natural

flowage of water is obstructed shall require a culvert having a minimum diameter of 12 inches placed in the roadway drainage ditch. The cost of said culvert and installation shall be borne by the property owner. No driveway drainage shall enter upon the travel way. Installation of the culvert and adequate drainage shall be approved by the Highway Supervisor.

17. To see if the Town will vote to pass a Loitering Ordinance as follows:

a. Two or more persons shall not stand or loiter in a group or near each other on any footwalk or sidewalk or parking lot in the Town of Bristol, so as to obstruct the free and unimpeded passage of foot passenger thereon: and any person obstructing any foot walk or sidewalk or parking lot by standing or loitering thereon shall move on immediately on request of any police officer, and shall not again return to the place from which he has been requested to move or stand in a group or loiter in that place or elsewhere, on any footwalk or sidewalk or parking lot after being so requested to move.

b. No person or persons shall sit, stand or lounge on a public way in or about any doors, windows or passageways except the owners or occupants of the premises, after having been requested by the owner, occupant or any Police Officer to depart therefrom.

c. Any person violating any provision of this ordinance shall be punished by a fine of not more than ten dollars (\$10.00)

d. This ordinance will take effect immediately upon passage.

18. To see if the Town will vote to adopt the Zoning Ordinance as proposed by the Planning Board.

19. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

20. To see if the Town will vote to authorize the Selectmen to

sell tax acquired property.

21. To transact any other business which may legally come before said meeting.

## SELECTMEN'S REPORT

The year 1975 brought about many personnel changes in both elected and appointed positions. These vacancies were due to various reasons. Those filling the gap have done well and no disruption has occurred during the transition period.

Repairs have been made to the Central Street Bridge, however, travel is still limited to passenger vehicles and pick-ups only. Considerable structural steel work is necessary before travel can be restored to full 15 ton capacity. Estimated costs have been submitted by the State and an article pertaining to this appears in the Warrant.

The Willow Street bridge has had a complete new deck installed and the balance of the appropriated funds have been set aside toward further repairs and/or the eventual replacement of this bridge.

Considerable work has been accomplished on Wicom Road, however, more is necessary before completion due to State approval for the drainage system.

The extension of the sewer system to include the Westwood Section has been completed.

The Planning Board has been very active in preparing a proposed Zoning ordinance and at the first public meeting many questions arose prompting active discussion by those persons attending. Final drafting of this ordinance will be completed and presented to the voters on the ballot at Town Meeting.

To all those who have served the community in many capacities we extend a sincere "Thank you".

The Bicentennial committee is actively engaged in planning various programs in celebration of our country's 200th anniversary. Let us all be thankful for the freedom we have enjoyed in the past and strive to build for the future and make 1976 a real memorable anniversary year.

### TOWN CLERK-TAX COLLECTORS REPORT

The statistics of this joint office have again followed the economic pattern of the nation in general. The number of vehicles registered were about the same as 1974, but with fewer new cars being purchased the all over revenue was down considerably. The signs for a change in 1976 are already apparent with new car registrations rising. The new staggered registrations for 1976 will result in quite an increase in registrations per se but not revenue wise. This staggered registration setup will do away with the long lines and spread the load out throughout the year. Though not required, I am going to try to set up a reminder system for the first round of re-registrations beginning in August. Remember that your birthday now means more than just another candle on the cake.

The unemployment and economic strain also showed up in the larger property tax sale for 1974. We hope that the current upswing will result in the reduction of delinquent property taxes. 82% of the 1975 property tax warrant was received by December 31, 1975 which is approximately the same as prior years.

New Hampshire Hunting & Fishing Licenses are still available through this office. This is also another place to remind everyone of the Monday evening hours which are not really utilized.

My thanks to everyone who has made this another enjoyable year in office.

Patricia D. Wade  
Town Clerk-Tax Collector

**MINOT-SLEEPER LIBRARY**  
**Report of the Board of Trustees**  
**For the Year 1975**

In 1975 the circulation of both adult and junior books increased in all of the following categories:

Adult Fiction	6,348
Adult Nonfiction	2,054
Junior Fiction	2,248
Junior Nonfiction	550
Bookmobile	776
Magazines	1,651
Records	17

Several Memorial books and twelve gift books were fine additions and were greatly appreciated.

A subscription to the Christian Science Monitor and an unrestricted money bequest given by the late Doris Hodgdon was gratefully accepted.

Funds given in memory of Mr. & Mrs. Ashley Whipple are being used to purchase a series of pioneer craft books as suggested by their daughter, Mrs. Barbara Billeter. These gifts are truly appreciated also.

Federal funds (grant-in-aid) restricted to the purchase of nonfiction books were expended for the following books: Thirteen Colonies, American Revolution, University of New Hampshire, Quilts and American Railroads.

On February 24, 1975 the Minot-Sleeper Library received a certificate from the New Hampshire State Library Commission for meeting the minimum library requirements.

To help conserve heat, the trustees purchased six aluminum combination windows for the main library room. Other improvements include the purchase of a larger book return box, two indoor-outdoor mats for the foyer, a larger metal card catalog and two metal file cabinets.

Long range plans to utilize the basement to provide a children's reading room and a research room for the better protection of reference books and to secure more book-shelf space, have been started. The trustees have voted to proceed as far as the present fund will permit with the hope of securing additional funds to complete the project.

The trustees are indeed grateful for the thoughtful, cheerful

and dedicated services which Myla Doran, our librarian, Carolyn Dickinson and Doreen Powden, our assistant librarians have given to stimulate reading and to assist and provide the materials for the many diverse requests of our library patrons.

Ruth B. Wells, Chairman  
Trustees of the Minot-Sleeper Library

**BRISTOL WATER WORKS**

This year has been one of change, the department storage area and repair shop has been moved to the old fire station. A new water cooled pump and controls have been installed at the pumping station increasing our pumping capacity to 500 g.p.m. New Hydrants have been installed at the Cardigan Woolen Mill Store, Worfield Circle entrance and on 3rd Street at the head of Walnut Street. The system has been extended to loop in Prospect Street, Beech Street and Walnut Street thus improving circulation and capacity to the system. A start has been made to install readout meters at customers homes both to replace old worn out meters and for convenience. Other improvements to the system are being studied.

Orvis H. Hopkins, Superintendent

## WASTEWATER TREATMENT PLANT

All plant equipment repairs have been taken care of locally where possible. Inspections included a plant inspection by the U.S. Environmental Protection Agency in April and exhaustive testing by the N.H. WSPCC In November checking, on influent and effluent pH, dissolved oxygen throughout entire plant and total coliform count results showed the plant in excellent operating condition.

The addition of Westwood Development to the sanitary sewer system is now complete. We have assisted New Hampton with problems with their system, (for which we have been reimbursed). It has been voiced that our plant is one of the best operating ones in the state.

**BRISTOL FIRE DEPARTMENT REPORT**

The Bristol Fire Department wishes to take this opportunity to summarize the fires and their activities of this past year, and it has been a fairly busy year.

The department responded to 39 calls from Dec. 1, 1974 to Nov. 30, 1975. There were 5 structural fires, 6 chimney fires, 9 Mutual Aid or out of town calls, 3 car or truck fires, 2 brush fires, 1 flooded burner, 3 false alarms, 1 plane crash, 3 dishwasher & dryer fires, 1 tar pot fire and 5 miscellaneous.

The Fire Commissioners have continued their inspections as required by law. As a result, the grade school now has a fire alarm system. Other bad fire hazards have been corrected and some minor ones in the process of being completed. These inspections will continue in the hopes of saving as many lives and property as possible.

Commissioner Brown has pre planned the square in case of fire and also some of the other larger buildings, inside and outside the precinct. He would also like to start a Fire Prevention program this coming year.

Again the company has continued with their training. This past year six men attended the Lily Pond Fire School and four men attended the Fitzwilliams Fire School. Different courses were taken by the men and then all new information was passed on to the others at our regular meetings. We have also had State Instructors in this past year. An advanced course on fire fighting was given. This included ventilation, forcible entry, pumps, pre planning and etc. A mask class was also given on the Scott Air Pac. Training will continue next year as in the past. This is the only way that the company can be ready to help any of you when the call come.

Raymond A. Greenwood  
Clerk

Fire Commissioners of Bristol:

Frederick J. Morgan  
Richard G. Ackerman  
Kenneth P. Brown

## REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

## NEWFOUND AREA NURSING ASSOCIATION Town Report - 1975

Since January of 1975 the Newfound Area Nursing Association has undergone many changes. Mrs. Kathleen Almeida was hired as back-up nurse and trained to move into full time when Mrs. Mary Lee Bourcier left due to pregnancy. Since April Mrs. Almeida has been charge nurse and learning new aspects of home care all the time. The N.A.N.A. office was moved in Dec. after the generous offer of the Bristol Community Services was made to them. The office is now located in the lower level of the B.C.C. building. This space is rent free and was made so to this non-profit organization.

Two blood pressure clinics were held this past year. One in May with approximately 70 people availing themselves and one in Aug. with 75 people taking advantage of these free services. Both the clinics were co-sponsored by N.A.N.A. and the local Ambulance Association. N.A.N.A. also participated in two blood mobiles that were sponsored by the American Red Cross. A flu shot clinic was also given, sponsored by the Bristol Women's Club and N.A.N.A. This was open to the public at a cost of \$1.50 per shot. It was attended by 52 people. Dr. William Walsh was on hand to administer the injections.

Due to the financial burden of tightened Medicare reimbursements, the nurses have curtailed any meetings other than those that are required. But education is ongoing with a large quantity of printed material coming into the office.

Skilled nursing visits numbered 1,325. These visits are made by a professional nurse to give a patient medical treatment. Medicare defines what type of treatment or procedure will be termed as skilled.

46 physical therapy visits were made this year. These are done by a registered physical therapist. A second service is required by Medicare for all V.N.A.'s who are Medicare approved. Physical therapy was chosen because the demand seemed to be greater in this area for that type of service rather than services such as Occupational therapy of home health aides.

During each year all residents are entitled to one free home visit. These are termed health promotions. 268 of these were made this year. After the initial visit, all subsequent visits are

made under a doctor's orders. Our two local physicians are most helpful. Throughout the year we have had approximately 12 referrals from Dr. Bell, 15 from Dr. Walsh and 24 from other Drs. in the area. These subsequent visits are charged to the patient. If there is no third party payment involved, we try to use a sliding scale where the charge is established by what the patient can afford. The difference between actual cost of a visit (\$14) and what is paid to the agency is termed free service. \$1,426.50 of this was given this year.

K. Almeida, R.N.

**BRISTOL PLANNING BOARD**

During 1975, the Planning Board held eleven regular monthly meetings and five special meetings. The Board held final hearings and approved seven subdivisions. Six subdivisions were signed as not under the jurisdiction of the Planning Board.

Two special meetings were held to prepare the application of the Town to participate in the National Flood Insurance Program.

Three special meetings were held with the Zoning Committee to complete a proposed zoning ordinance. The first of two public hearings on that proposed ordinance was held on December 10, 1975.

**POLICE DEPARTMENT REPORT**

The Bristol Police Department has been very active during the year 1975 with an increase in the number of complaints which were up about 15% over the previous year.

The Cadet Program was again funded through the State of New Hampshire Highway Safety Program. This 10 week program allows the Cadet to assist in traffic control during the peak summer season also to receive training in other police duties.

With the resignation of Chief John Smart, some changes were made in scheduling and plans are being formulated for training programs for all police personnel during the coming year.

The department wishes to extend their appreciation to the Bristol residents for their cooperation and support this past year.

Paul H. Ingersoll  
Acting Chief

### BRISTOL CONSERVATION COMMISSION

The Commission meets the first Thursday of each month, September through May. During the past year we regretfully accepted the resignation of Rodney Allard and Harold Sheffield. Both men have given many years of unselfish time to the commission and their services shall be missed. Gordon Dole, a former commission member, and Richard Kenney have replaced them.

Last year we sponsored an essay contest at the Newfound Memorial High School. The winner of this conservation essay which was Michael Clark, was sent to a conservation camp in Allenstown sponsored by the Society for Protection of New Hampshire Forests. Mike reported a very worthwhile week spent learning about nature and the out-of-doors. This contest will be sponsored again this year.

The commission is actively involved in the Bi-centennial celebration with Gordon Dole representing us on the committee.

Each commissioner was the proud owner of a Handbook for Municipal Conservation Commissions in New Hampshire. This book will be of valuable assistance to us in the coming year.

Eleanor B. Clark, Chairperson

## NEWFOUND AREA BICENTENNIAL COMMITTEE

The Newfound Area Bicentennial Committee has held a meeting each month since May 7, 1975. The members from each of the 6 towns, namely Groton, Hebron, Bridgewater, Alexandria, Danbury and Bristol has explored and discussed many ideas and projects.

As a common effort we have compiled an illustrated calendar which will contain the dates of all Bicentennial events in the area. This calendar is already at the printers.

We have also contracted to have four signs painted to welcome summer visitors to our region.

Each town has committees working on its own celebration. Individuals and groups have been researching Revolutionary War Heroes, locating historic spots, and digging into historic events. One week during the summer has been allotted to each town for these events. The dates will be found on the calendar.

Alexandria has already started its activities. On January 1 a flag raising and presentation took place on the town common with the school children, Fife and Drum, Selectmen and others taking part.

Bristol will have a Bicentennial event each month beginning with the Colonial Ball on March 27 and ending with a Harvest dinner in November. Bristol's prime events will take place during the period of July 3-12. Plans for a real old fashioned Fourth are in the making. A bigger and better parade on the Bicentennial theme is planned for August 7.

A cordial invitation is extended to all to attend the monthly meetings. We welcome ideas and participation.

Chairman - Mrs. Lucy Baker  
Secretary - Mrs. Beverly H. Smith  
Alexandria - Mrs. Rosalie Hall  
Bridgewater - Mr. Larry Denton  
Bristol - Mr. William Noel  
Groton - Mrs. Carol Buck  
Hebron - Mrs. Beverly H. Smith  
Danbury - Mrs. Rebecca Towle
